To Whom It May Concern:

I am a portfolio manager for a property management company. I manage office, retail and multifamily units in the Los Angeles area. I have used Hollis Hauling Services at several of my locations to help clean out spaces. These spaces range in size from individual offices and apartments to large retail spaces. Hollis Hauling Services has always provided me with excellent service. I will continue to use them for projects in the future.

I fully recommend Hollis Hauling Services to anyone looking for a company that provides quality service.

A handwritten signature in black ink, appearing to read "Jeremy Hull", is written over a horizontal line.
